purchase@MiddletownCT.gov

Dear Vendor,

We appreciate your company's interest in providing goods and/or services to the City of Middletown. In order to assure that all vendors are consistently notified of our requirements, we maintain an automated vendor and bid file. The City uses this bid file for all formal bids, as well as various quotations as needed.

The City of Middletown's bid limit is \$7,500. All products and services in excess of this amount shall be formally bid. Upon completion of this vendor application, a formal invitation to bid will be sent to your company during the bidding process for any commodities selected.

This vendor application was developed to assist the Purchasing Department to maintain the vendor list. If your company wishes to do business or wishes to continue to do business with the City of Middletown, this application must be completed and returned.

The application contains a general listing of goods and services. Please print it out and complete this listing by checking any commodity item that your company can provide to the City. When you return the completed form via fax, mail, or email, you will be sent a detailed list for each commodity class you select. When you receive this detailed list, we ask that you indicate the specific items or services your company can supply by circling the number of each appropriate item and return the form to us.

Please notify the Purchasing Department of any changes that may include change of name, address or telephone number, changes in personnel listed on this application and the addition or deletion of items you are interested in provided. You may do this by resubmitting this form, but checking off the appropriate box at the top of the application such as "Update" or "Add / Delete Commodities".

The City of Middletown appreciates your interest and looks forward to doing business with you. Your assistance will enable us to assure that each vendor is given equal consideration as well as assist us in managing our vendor file. Please contact the Purchasing Office at (860) 344-3465 if you have any questions.

Sincerely,

**Donna L. Imme, CPPB**
